## *Weddings at First United Methodist Church of Pacific Grove*

## First United Methodist Church of Pacific Grove

is located near the tip of the Monterey Peninsula on a forested hillside.

## First United Methodist Church of Pacific Grove

Is the perfect location for your wedding whether you are planning a traditional ceremony or a contemporary one.

Our Sanctuary is a striking bright white brick structure with external buttresses that lend a classic appearance.

The beautiful interior is accentuated by an abstract butterfly stained glass window surrounding the altar and is one of the reasons the church carries the nickname of "The Butterfly Church"

Our facility offers:

- Comfortable seating for up to 300 people, yet retains an intimate ambiance for even the smallest weddings.
- A long center aisle and two side aisles.
- Sliding glass doors on the west side of the church. These provide an attractive view of a garden patio which may be used for small weddings, photos and for greeting guests after the wedding ceremony.
- Ample parking.
- A spacious bride's room just off the altar, which may be used for the bride and her attendants to prepare for the ceremony.
